Flexcon’s *Perfect Divider™* System can help you organize your products *perfectly*!

- Costs and weighs half as much as other dividers!
- Assembles in 20% of the time (SO EASY!)
- Increases capacity & efficiency of your system by over 35%!
- No sharp edges, much quieter while system is in motion
- Able to make any size compartment you need
- Most popular cell sizes include 2×2, 4×2, 4×4, 6×4, 6×6, 8×4, 8×8, 10×6, 10×10, 12×6, 12×12

**Options Available**
- Lengths up to 250", widths up to 56", heights from 2-20"
- Standard and custom colors available
- Available in 30 standard configurations
- No extra charge for custom configurations
- Accessories: Bottom pads, foam pads, and bin cup inserts
- **NEW!** Now laser cut cauterizing edges!
- **NEW!** Painted with 8 layer process for a kitchen cabinet grade finish!

NEW!
