

# Flexcon's *Perfect Container System*

Perfect Size, Perfect Style, Perfect Price!

**Flexcon has the perfect container for YOUR application!**

Available in thousands of standard sizes, dozens of styles and 10 colors! We can also supply custom designed containers to fit your needs exactly!

Our containers are durable & lightweight. They can be made to fit almost any product, shelf, conveyor or material handling application!

The PERFECT container can help solve almost any handling problem, creating a highly efficient material handling system!

## Perfect for:

- ASRS systems
- Storage
- Conveyors
- ESD applications
- Carousels
- Production
- Flow racks
- Work stations
- Shelving
- Specialized applications
- Shipping

## Accessories include:

- Dividers
- Heavy duty construction
- Handles & hand holes
- Bottom plates
- Covers
- Printing
- Foam cushioning
- Label holders
- Color
- Placards
- ESD safe materials
